PRESS RELEASE

New Additions to the Reproductive Health Specialists Fertility Team

PITTSBURGH, PA (September 14, 2006) Over the past months, fertility center Reproductive Health Specialists (RHS) has expanded their fertility team by hiring three new employees.

Bethany Didion was hired as an Assay/Andrology Technician. She performs endocrine assays and semen analysis as part of her position. Bethany received her Bachelor of Science Degree in Biology from the University of Pittsburgh.

Judy Maloney has begun working for RHS as an Ultrasonographer. Judy has extensive experience in gynecological and obstetrical sonography and received her Associate degree in Diagnostic Medical Sonography from Community College of Allegheny County.

RHS has also added a new RN to their staff, Linda Conway. Linda has her Bachelor's degree in nursing from Valprasio University, Valprasio, IN. She has had many years of experience in the infertility field and is performing a broad range of RN duties for RHS.

Reproductive Health Specialists, Inc. (RHS) is the region's only independent, women-owned and operated reproductive endocrinology and fertility center focused on one goal: helping every patient to have a baby. The practice has two locations: Monroeville and Wexford.
